B.Tech Computer Science & Engineering (Autonomous) | ABES Engineering College, Ghaziabad

EDUCATION

B.Tech in Computer Science & Engineering (Autonomous)
ABES Engineering College, Ghaziabad First Year CGPA: 9.2
Class XII
Tathagat Inter College 88%
Class X
Tathagat Inter College 90%

TECHNICAL SKILLS

Programming Languages: C++, Python, Java
Web Development: HTML, CSS, Node.js
Core CS: Data Structures & Algorithms, Object-Oriented Programming
Tools: Git, GitHub, VS Code
Problem Solving: CodeChef: 300+ problems solved | 500+ rating

PROJECTS

Spotify Clone
• Developed a responsive Spotify-inspired web interface using HTML and CSS, focusing on clean layout, navigation and music-player UI.
AIMS Attendance System
• Built a web-based attendance management interface for tracking subjects, attendance percentage and academic schedules.
Coding & Interview Practice
• Regularly practices DSA and competitive programming; solved 300+ CodeChef problems to strengthen problem-solving and coding fundamentals.

HACKATHON PARTICIPATION

- Decode OS — Hackathon participation
- Smart India Hackathon (SIH) — Hackathon participation
- Bharat India 2.0 — Hackathon participation

CERTIFICATIONS & ACHIEVEMENTS

- HackerRank — Certificate / participation
- freeCodeCamp — Certificate / participation
- Simplifier — Certificate / participation
- CodeChef — 300+ problems solved; 500+ rating
- Eureka — Certificate / participation
- CodeChef — Competitive programming achievement

ADDITIONAL ACTIVITIES

- Participated in a college hackathon project focused on a technology-driven food and mess solution.
- Participated in an SDG 9 poster pitching competition focused on EV charging and sustainable infrastructure.

PROFILE

Computer Science & Engineering student with a strong academic record and hands-on interest in software development, web technologies, Data Structures & Algorithms, and problem solving. Seeking opportunities to apply technical skills through projects, internships and collaborative development.
